***** The schedule may subject to change without prior notice*****

Sirindhorn International Institute of Technology, Thammasat University

P.O. Box 22, Thammasat Rangsit Post Office, Pathum Thani 12121

Tel: (+66) 2 986 9009 ext. 1002-6 Email: admission@siit.tu.ac.th

Candidate Qualifications:

- Non-Thai nationality
- An applicant **without** a high school diploma that complies with the regulations of the Thai Ministry of Education or its equivalent

Requirements:

- A successful applicant must **enroll as an external student** at SIIT (non-degree student).
- An applicant must register for courses planned for a regular student.
- During a period of enrolling as an external student, the student is required to submit a high school diploma that complies with the regulations of the Thai Ministry of Education or its equivalent to change the student's status to be a regular student (a degree student).
An example of a certificate/test equivalent to a high school diploma complying with the regulations of the Thai Ministry of Education is **General Educational Development (GED).*
- **To change the student status** from an external student to a regular student, at least three credits registered during the period of an external student must be transferred to the student's curriculum.
- Only courses with **at least "C" grade can be transferred** to the student's curriculum.
- In order to **obtain a bachelor's degree**, a student must **enroll as a regular student for at least one academic year.**

Application Process

1. Apply online at the admissions.siit.tu.ac.th
2. Select admission type: **"External Student (SPI-U)"**
**In case applicants have already registered in the system from the previous round, applicants can log in and click apply without registering again. If not, the applicants must register in the system before applying.*
3. Carefully fill in the information, choose the program you wish to apply, and attach the required documents before clicking the 'Apply' button
(Applicants will not be able to edit or submit additional documents after they have submitted their application.)
4. Pay the application fees of 1,000 Thai Baht (non-refundable)

Payment Process (1,000 Thai Baht for application fee)

1. After having applied successfully, the application system will go to the 'Application Detail' page
2. Click the 'Application Fee Process' button. The system will bring up the 'Payment Form with QR Code'
3. Scan the QR Code for the payment (I-Banking or M-Banking is accepted)
4. If applicants cannot pay the application fee by QR Code, applicants can choose any bank accounts given below to pay the application fee directly:

Sirindhorn International Institute of Technology, Thammasat University

P.O. Box 22, Thammasat Rangsit Post Office, Pathum Thani 12121

Tel: (+66) 2 986 9009 ext. 1002-6 Email: admission@siit.tu.ac.th

Bangkok Bank (BBL)

Swift Transfer: BKKBTHBK

Account Name: Sirindhorn International Institute of Technology

Account Number: 091-0-19400-0

Branch: Thammasat-Rangsit

After the payment, please send the pay-in-slip and fill in the application number and the applicant's name to Admission Division via admission@siit.tu.ac.th **within May 1, 2024.**

Required Documents (Upload a PDF file to the online application system, that does not exceed 25 MB per file)

1. A copy of your passport
2. A copy of your high school transcript

Remark: Please check the attached documents before pressing 'Apply' as they cannot be edited after applying. If the applicants have applied in the previous round, they must re-submit the application again.

The Agreement of Admission to Academic Program

SIIT offers the following academic programs:

1. General Engineering Group (5 programs including Civil Engineering, Electrical Engineering, Chemical Engineering, Mechanical Engineering, and Industrial Engineering and Smart Logistics Programs)
2. Civil Engineering Program
3. Electrical Engineering Program
4. Chemical Engineering Program
5. Mechanical Engineering Program
6. Industrial Engineering and Smart Logistics Program
7. Computer Engineering and Digital Engineering Group (2 programs including Computer Engineering and Digital Engineering)
8. Business and Supply Chain Analytics Program

Applicants admitted to the General Engineering Group (1) and Computer Engineering and Digital Engineering Group (7) are eligible to select an academic program at the end of their first academic year. For those who wish to change their academic program, they are allowed to reselect only the academic program listed in the same group during the academic program selection. Successful admission to a preferred academic program depends on a student's grade-point average at the end of their first academic year, as well as the demand for the chosen program.

Applicants admitted to the Civil Engineering Program (2), Electrical Engineering Program (3), Chemical Engineering Program (4), Mechanical Engineering Program (5), Industrial Engineering and Smart Logistics Program (6), and Business and Supply Chain Analytics Program (8) cannot change their selected academic program throughout their study.
